

①:Click the "Online Quotation" button to enter the quote page.

Online quotation

To be the best international prototype supplier

②:Select the type of product to be quoted.

Gear transmission components

All kinds of gears, shafts, clutch brackets, differential housings of the powertrain system, including internal ring gears, combined step gears (double gears), spiral bevel gears, etc.

CNC prototyping

A large processing workshop consisting of 200 five-axis machining centers, gantry five-axis machining centers, 7-axis turning and milling machining centers and other precision equipment, with fast global delivery.

Rapid tooling

Rapid die casting molds and products

Rapid sand casting

Rapid plastic molds and products

3D Printing

Including metal materials, engineering plastics, photosensitive resins and other types of printing materials, which can be shipped in as fast as 3 days.

③:After confirming the specific product type, click the "Online quote" button to proceed to the next step.

④Method 1: Upload 3D data, 2D files, or other files, click the "Continue To Inquire" button to proceed to the next step.

3D Data Upload

Drag the file here, or [click to upload](#)

Supports PRT/STP/STEP formats

The file size cannot exceed 500MB

Only a single drawing file can be uploaded, the remaining drawings can be uploaded to Other File through compressed files

2D Drawing Upload

Drag the file here, or [click to upload](#)

Supports PDF/JPG/PNG/BMP/TGA/PSD formats

The file size cannot exceed 200MB

Only a single drawing file can be uploaded, the remaining drawings can be uploaded to Other File through compressed files

Other File

Upload other format files(ZIP/RAR/TZ/TGZ/PDF/X_T/STL/CGR/CATPart/DWG/DXF/PLT/JPG/PNG...)

[Upload](#)

Only a single file can be uploaded. If multiple files exist, upload them through the compressed package.

Continue To Inquire

Email Quotation Mode

After uploading the file, an email will be sent directly to submit the inquiry.

Other File	Upload other format files(ZIP/RAR/7Z/TGZ/PDF/X_T/STL/CGR/CATPart/DWG/DXF/PLT/JPG/PNG...)	Upload
------------	--	--------

Only a single file can be uploaded. If multiple files exist, upload them through the compressed package.

Continue To Inquire

④Method 2: Upload the file that needs inquiry, click the "Inquiry "button to send an email to us, we will reply to you within 48 hours.

Email Quotation Mode	After uploading the file, an email will be sent directly to submit the inquiry.
----------------------	---

File Upload

Drag the file here, or [click to upload](#)

Supports formats such as ZIP/RAR/TGZ/PDF/JPG/PNG/X_T/STL

The file size cannot exceed 200MB

If there are many files, you can directly upload the relevant files and list in the space above, or click on email quoto@mekorp.com to send us an email.
